GENERAL INFORMATION

Koolunga Primary School is located on a single campus on the northern boundary of the small town of Koolunga, about 170 kilometres from Adelaide. The school community are very proud of the school’s history and the achievements of its students. They are very active in supporting the school’s current priorities and programmes. Strong and supportive links exist between the school and the local community. Koolunga Primary School works collaboratively with a cluster of neighbouring schools to provide wider learning opportunities to its students.

HISTORY OF KOOLUNGA PRIMARY SCHOOL

Koolunga was the name given to the district by the explorer Edward John Eyre. Koolunga is the Ngadjuri Aboriginal word for the red banks of the River Broughton, east of Hope’s Crossing.
On the 5th of March, 1846, John Hope applied for an occupation licence for land which roughly comprises the present Hundred of Koolunga. The hundred of Koolunga was proclaimed on the 15th of July, 1869. On the 30th of August, 1875, the township was surveyed by W.G. Evans. Township blocks were offered for sale on the 7th of October, 1875.
The first mention of Koolunga School appears in the Report of the Council of Education for the year 1877. It was recommended that one large room be built to accommodate 80 pupils. A second room was added later.
Three other schools were established within the Hundred of Koolunga: Old Koolunga Station School (from about 1889-1897), the Koolunga Hills School (1901-1913), and Mallee Grove School (1920-1945).
The peak year for Koolunga Primary School was 1889, when 130 students attended the school.

FACILITIES

The two main classrooms are located in the original stone building. A small withdrawal area separates the rooms. A separate, new transportable activity/Library building sits next to the main building. We are lucky enough to have a well equipped Tech/Woodwork shed and outdoor activity/wet area. The office/staffroom building is an inviting first point of contact with the school. The school is situated in spacious, well-maintained and very attractive grounds.
The well-equipped playground has been landscaped. The large oval is watered by reticulation and surrounded by a stand of mature pine trees.
The school has a shade house, and garden area, which is used for weekly Kitchen Garden lessons run by volunteer parents.
CURRICULUM
The school offers a comprehensive R-7 curriculum, including Music and German and all students learn the recorder. Woodwork and Kitchen Garden
Excursions to local sites and nearby schools occur each term and full day excursions to Adelaide and regional centres are organised to supplement classroom programs. Upper Primary students take part in a Careers Camp each year and excursions to extend their leadership and curriculum opportunities. Whole school camps are held every second year. Year 7 students have a full week in Canberra each year.

TRANSITION PROGRAMS
A transition program is provided for pre-school to Reception, Junior Primary to Primary class and Year 7 to Secondary School. We aim to make the transition from one level of schooling to another as smooth as possible.

DECS Policy:
Children are not required to attend school until they are six years old, and they may not be admitted before they are five. The enrolment of a child aged five is a matter of parental choice and when this choice is made, the child shall be admitted to the school at the next intake.

Transition:
At Koolunga Primary School our transition program aims to:
1. Ensure effective communication between parents/caregivers, children and staff.
2. Facilitate the smooth transition of children from Kindergarten/Preschool to School.
3. Provide opportunities for parents to understand and learn about school policies, procedures and the learning program.
4. Provide opportunities for staff from Kindergarten/Preschools to communicate with the school.

The transition program will be worked out in consultation with the teacher, parent and kindergarten. It will allow for visits spread over at least 3 weeks with increasing times spent in the classroom, 1st week – visits until recess, 2nd week – visits until lunch, 3rd week – whole day visits. Parents and teachers can negotiate changes to this program based on individual children’s needs and circumstances.

Transition to secondary school
Programs for Year 7 students moving to middle or high school are developed with the schools concerned.

ADMISSIONS
Reception Intake:
Children must be five years of age on or before the day of admission.

1st Term intake – child will have 4 terms in reception – 3 years in Junior Primary
2nd Term intake – child will have 3 terms in reception – 2 years and 3 terms in Junior Primary
3rd Term intake – child will have 6 terms in reception – 3 years and 2 terms in Junior Primary
4th Term intake – child will have 5 terms in reception – 3 years and 1 term in Junior Primary

In exceptional circumstances the length of time that particular children admitted in term 3 and 4 will spend in junior primary classes and the ages at which they commence school may be varied through discussion between parents and teachers and the principal with advice from other professionals, if appropriate. The developmental needs of the child linked to the SACSA Framework including such matters as the child’s maturity, social, emotional and any special needs (both physical and intellectual) will be taken into account when determining the progression policy for an individual child.

Admission will be the first day of the term, 4 day weeks may be negotiated for the child’s first term at school based on each child’s individual needs.

HOME – SCHOOL COMMUNICATION

It is most important for us to have up to date information about your children. Please use diary notes, telephone calls, written notes, or speak to the teacher personally to share important information. Details about illness, emotional upset or any other concerns that may affect the way your children engage with their schoolwork are important for us to know.
Children who are 6 years old or greater and enrolled at our school must attend daily, unless illness or another personal reason is given by a parent in writing, by phone or in person.
It is vital for us to have details of how to contact you should an emergency or sickness arise. Up-to-date contact names and telephone numbers for you and next of kin are most essential. Please ensure that your family information at school is current.
The school publishes and distributes a fortnightly newsletter to all parents every second Tuesday. Newsletters contain information on curriculum, school events and meetings as well as community notices. It is the main way of communicating information to all families.

The student’s diary will be used for written communications between parents and teachers and for recording homework. Parents are asked to read and sign diaries regularly.
HOMEWORK

All children are encouraged to read each night. Junior Primary children are also encouraged to practise sounds and to learn their spelling words. Homework will usually be set to reinforce the day’s learning. Parents can help establish good study habits by keeping students to a consistent time and place for homework and being encouraging and positive about homework.

The following times are offered as a guide for homework.

Year 4/5  20 - 30 minutes
Year 6/7  30 - 40 minutes

Primary children will have daily diary notes regarding homework. If for some reason homework cannot be completed, a note in the diary would be appreciated.

The school grounds and facilities are available for appropriate community use.

All staff, council members and employees of the school are encouraged to be active in watching over the school grounds during out of school hours.

Staff members, council members and employees are authorised to ask any people on school grounds, the reason for them being there. If they don’t have a genuine reason, or are behaving in an inappropriate manner, they may be asked to leave immediately.

There is a standard ‘curfew’ set by the Department between 12 midnight and 7am when people are not permitted to be on school grounds.

If further information is required, please contact the Principal.
